87% Of 48 Parliamentarians (MPs, Senators, and Staff) who met with the CFMS were interested in further discussion / information regarding Pharmacare

Interactions with Media
3 interviews (CPAC, Ottawa radio, Radio Canada), approx. 300 tweets #cfmslobby

- The CFMS recommends that the Government of Canada convene a Special Committee or Task Force to
- i) report on the current state of pharmaceutical coverage in Canada, and
 - ii) outline steps towards the development of a national Pharmacare system that corrects current financial inefficiencies while ensuring Canadians have equal access to necessary medicines as part of a truly universal health care system.
