

CFMS Winter Call 2016 – Education Portfolio

- **External Representatives**
 - o **Committee on Accreditation of Canadian Medical Schools (CAMCS) Representative – Jr**
 - Represents the CFMS to the organization responsible for the accreditation of all Canadian medical schools. Will participate in accreditation site visits and accreditation report analysis.
 - o **Medical Council of Canada (MCC) Representative - Jr**
 - Represents the CFMS to Canada's foremost medical examination organization. Will participate in discussions around test policy and development.
 - o **Royal College of Physicians & Surgeons of Canada International Conference on Residency Education Representative**
 - Represents the CFMS to the steering committee of ICRE, an internationally recognized conference on postgraduate medical education research
- **Education Committee**
 - o **Education Research Grants**
 - The Education Research Co-Lead will work to develop a new education research grant program for Canada's medical students. Responsibilities will include seeking out funding opportunities, writing calls for applications, and organizing evaluation protocols. Previous experience with grant funding and education research is an asset.
 - o **Publications**
 - The Publications Co-Lead will serve to oversee the Education Committee's contributions to CFMS publications such as the Matchbook, Student-Led Clinics Guide, and Accreditation Toolkit. Interest in scholarly writing or communications is an asset.
